St Benedict’s & St Bede’s Challenge Day

Dear Parent/Guardian,

On **Wednesday 21st September**, students from Years K-2 will be involved in a Challenge Day with the K-2 students from St Bede’s. This will be held within the grounds of our school. We will participate in a half day of challenging and fun activities designed to reinforce the positive mindset and goal setting work we have been focussing on.

Students are to wear their full school sports uniform on this day and to bring their normal recess, lunch and drink bottle.

Regards
