Dear Parents,

On Thursday 22nd September we are very fortunate to have Ms Fiona Ligertwood, a dental hygienist from A1 Dental Care, come to visit our junior primary children.

Ms Ligertwood would like to speak to the children about brushing their teeth correctly and about plaque build-up. In order for her to do this she would like to paint the children's teeth with a plaque disclosing food dye in order to show up the plaque.

Please fill in the form below and return to school by Thursday 15th September.

I________________________________________

☐ GIVE permission for my child/children to have the plaque disclosing food dye painted on her/his teeth.

☐ DO NOT give permission for my child/children to have the plaque disclosing food dye painted on his/her teeth.

Name of child/Children_______________________________________

Thank you for your continued support.

Miss R. Smith, Miss N. Ciuffetelli, Mr J. Siljeg, Mrs F Tomadini
