My Grandparents

You are invited to celebrate Grandparents’ Day with us at St Benedict’s School. We think Grandparents, and other older people who play an important role in our lives, are SUPER SPECIAL so we are having a day to celebrate YOU! Please come celebrate Grandparents’ Day with us on Friday, 5th August 2016. We will start with a whole school Mass at 10:00am. You are then invited to join the staff for morning tea in the Library. After that I would love you to come visit my classroom and meet my friends, see the work I do at school and read with me.

Love from
