My Grandparents

Dear

You are invited to celebrate Grandparents' and Grand Friends' Day with us at St Benedict's School. We think Grandparents, and other older people who play an important role in our lives, are SUPER SPECIAL so we are having a day to celebrate YOU! Please come celebrate Grandparents' Day with us on **Friday, 3rd August 2018**. We will start with a whole school Mass at 10:00am. You are then invited to join in the community for morning tea in the Library. After that I would love you to come visit my classroom and meet my friends, see the work I do at school and read with me.
