# Day

Tomorrow, Friday 4<sup>th</sup> August 2017.

The day begins with mass at 10am,  
followed by morning tea in the  
library for our special visitors and  
then classroom visits after morning  
tea.

If you are able to send in a contribution to the morning tea that would be great. Any offers of help in setting up and packing up morning tea in the library would also be appreciated.
