## SPRING FAIR 2018

Hello families & friends of St Benny's Primary School.

Every other year our school has had the fun tradition of hosting a Spring Fair during the month of September. We have not held this for a number of years due to the Catholic Schools Soccer Carnival, but 2018 will see another fair for us all to enjoy.

We are excited to begin the organisation of this event and begin talking about possible inclusions into this fun day for our school and wider Narrabundah community.

Throughout the year we will be calling on all school families for small pieces of assistance, but will try to keep these to a minimum.

This event can't happen without a group of excited community members who are willing to take on some additional roles to ensure a smooth fun day in September. Some tasks that will be required of this group are: attend monthly organisational meetings, coordinating stalls, phoning companies, assisting with sponsorship and being present on the day! If you think this sounds like you, please fill out the slip below.

We look forward to working with you to create a wonderful St Benny Spring Fair!
