

Dear Sponsor,

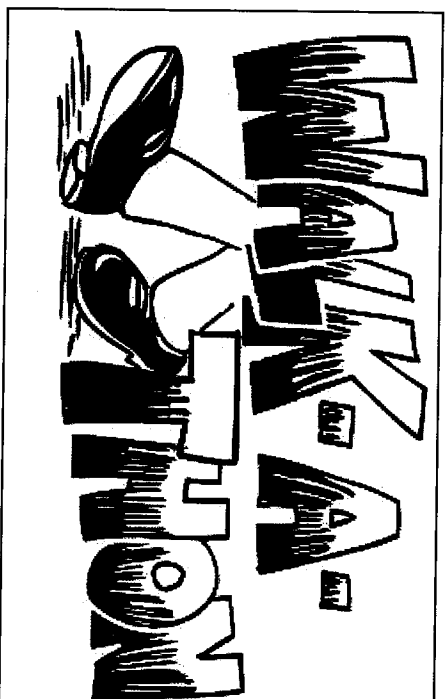

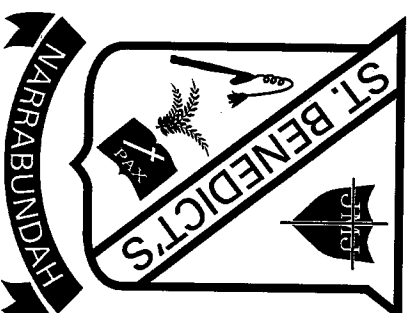

Our students will be walking in the local Narrabundah neighbourhood to raise money to contribute to the preservation of our outdoor seated area and to overcome the damage currently being caused by the tree roots.

Students will walk as many laps of a pathway as they are able to in a given time.

The St Benedict's community thank you for your generous donation as our students participate in this healthy activity to help their school community.

Rachel Smith  
Acting Principal
