Friday 16th February 2018

Dear Families,

St Benedict's Primary School and the Monaro Panthers Soccer Club have been connected for a number of years through class soccer teams. This year we are looking forward to joining up classmates again to enjoy a fun season of soccer and building friendships.

Traditionally parents have written to the club to request for their children to be placed in teams together, after some confusion last year with the new Kindergarten team it has been decided that the school will send the club team lists for each year level of St Benedict's students.

If your child/children are interested in playing soccer in the 2018 winter season with their fellow year level classmates you will need to register through the Monaro Panthers website as an individual player and complete the form below to return to the school for inclusion on the team lists.

Any New South Wales residents can apply for the government \$100 sport subsidy with the Monaro Panthers as they have registered for this program. Please contact the club to arrange your discounted club fees.

Best wishes

Rachel Smith
Principal

My child _____

Has registered with the Monaro Panthers in the age category

Please list any other children your child would like to be placed in a team with

PLEASE RETURN THIS FORM BEFORE WEDNESDAY 28 FEBRUARY 2018.
