7<sup>th</sup> August 2018

### **YEAR 6 SCHOOL PHOTOS**

Due to unforeseen circumstances the Year 6 photos were not taken on Monday. We have now booked in for Wednesday 15<sup>th</sup> August for the repeat of the Year 6 school photos and the Leadership photos. Students will need to be in full winter school uniform. The reason for the repeat is due to a number of students and staff being absent on the original photo days. We ask that all Year 6 students arrive at school in their full winter school uniform for the formal photos at 9.30am.

Once the formal photos are taken all students will then change into their Sports Uniform with their Leadership Shirts for the Year 6 fun photos.

We understand this could be inconvenient, but we ask for your support in ensuring your child has the two uniforms for Wednesday 15<sup>th</sup> August. Making this round of photos a successful and memorable one as they will also be used for graduation at the end of the year.

Thank you for your support.

Alana Quirk  
Assistant Principal
