Harmony Day at St Benedict’s Primary School
21st March 2016

‘Where are you from?’

Dress Up Day

Maybe you were born in Australia. Maybe you were born somewhere else. Maybe your parents were born in Australia. Maybe they were born somewhere else. What about your grandparents?

Our families all come from somewhere. Either somewhere else in the world or somewhere else in Australia.

What can you find out about your family’s history and culture?

On Monday 21st March, come to school dressed with something or bringing something that tells us a little about another country or area of Australia your family comes from.

There will be a time to share with your class that day.

Investigate, find out and teach us about your family history.
