Dear Parents,

As part of our Health curriculum students in Years Five and Six are required to investigate resources and strategies to manage changes and transitions associated with puberty. To assist with this learning area we will be using the resources of the Archbishop’s Office of Evangelisation (formally CatholicLife) for two presentations.

The first presentation is a 90-minute evening session where parents and students are required to attend together. This will be on Monday 17th October 2016, from 6:30 – 9:30pm. The second session is for the students only and will run on Tuesday 18th October between 9:00am – 11:00am.

Both sessions will be held in the 5/6 Block at school and are conducted as single sex groups. Attached is a letter to yourself as a parent and a detailed outline for both of these sessions. The cost of both sessions is $13 per student.

Please return the attached form by Wednesday 12th October to assist us with our planning and preparation.

I look forward to sharing this special time of learning with you and your children.

Ms Meaghan Younger
REC

My Body, My Life

I ___________________________ will be attending the evening parent and child session on puberty on Monday 17th October from 6:30pm – 8:00pm with my son / daughter ____________________________.

$13 included for both the evening and daytime sessions.

Nurturing personal and academic growth. A journey from Kindergarten to Year 6.
